

Curriculum Content

Oak Class

Autumn 2 (2025)

Monday	Tuesday	Wednesday	Thursday	Friday
Swimming		PE Return homework	Forest School	Homework is set
RE	English		Maths	
Our RE lessons will focus on the theme of Prophecy and Promise. Through this topic, we will explore significant people in the Old Testament such as David and Saul. We will look at model of a shepherd as a leader. During this unit of work, we will also learn more about the Rosary. We will also be completing work on the Jubilee Year.	Our fiction work in English will focus on classical fiction. Our primary text will be The Wizard of Oz. We will complete a variety of reading and writing activities on the story. We will also use The Wizard of Oz as the content to explore other genres of writing. For example, we will write a discussion text on whether a good wizard ask you to kill someone even if that person was wicked.		Our mathematics lessons follow the Power Maths scheme. Year 5 will begin with work on factors, multiples, prime numbers and square numbers. They will then focus on fractions. Year 6 will focus on fractions this half term. We will continue to complete arithmetic based work. Please encourage and support your child to go on Times Tables Rockstars at home.	
Science	Computing		Geography/History	
Our Science lessons will focus on ethe circulatory system. We will learn what is blood made of and why we need it. We will learn why our bodies need nutrients and how they are transported. We will then look at the functions of the heart.	In Computing this half term, we will use micro:bit to explore the following: what designing an electronic product involves, which programming software is best to achieve a purpose and the building blocks of computational thinking, for example, sequence, selection, repetition, variables, inputs and outputs.		Our focus for this half term will be Geography. On work will be on biomes and vegetation belts. We will start by building on prior knowledge of continents, lines of latitude and longitude though exploring major cities in the world. We will then learn about biomes and how biomes change across the world.	
PSHCE/SMSC/British Values	Music		French	
In our My Happy Minds sessions, we will focus on developing our knowledge of the brain. We will explore how we can look after our minds to be at our very best.	In our Music lessons, we will continue to learn and sing songs for Young Voices. Songs include: Disco Fever, All Over the Word, Pop Medley, and Wicked Medley.		Our French lessons will be based around the theme of French transport. The children will identify which nouns are cognates or near cognates. They will form simple statements by adapting a model.	
Other information	PE		Art and DT	
Please support and encourage your child to read as much as possible at home. Your child's reading skills are important to their success in school as they will allow them to access the breadth of the curriculum. Reading can also be a fun and imaginative time for children, which opens doors to all kinds of new worlds for them.	On Monday afternoon, we will have swimming lessons. Please ensure your child arrives to school on Monday with everything they need for swimming. We will also have a PE lesson on Wednesday, which will be led by a member of Calderdale Community Coaching Trust.		Our focus for this half term will be Art. The unit of work will explore how artists use space, scale and materials to create installation art that conveys ideas, transforms space and shapes the viewer's experience.
