THIS WEEK AT FOREST SCHOOL...

This week in Forest School, Beech and Cedar enjoyed a magical Stickman-themed session, acting out the story outdoors and creating their own decorated Stickman characters to take home.

Elm class continued their Christmas crafts by finishing their wooden slice decorations and working together to make beautiful Advent wreaths using evergreens collected from around the site. 

Oak class made fantastic progress with their ongoing boat-clearing project. They worked as a brilliant team to dig, replant strawberries and other rescued plants, sweep leaves, and continue towards fully clearing the boat.

Their teamwork and perseverance have been outstanding!

Another wonderful week of creativity, resilience and outdoor learning at St Joseph's.
