News

As we come to the end of our second week of term, it has been lovely to see the children settled, happy and engaged in their learning. They have made a very positive start to the term.

We look forward to the weeks ahead and all the opportunities for learning and progress.

Thank you for your continued support.

COMMUNITY FOREST SCHOOL

Beech Class enjoyed Community Forest School this week, welcoming both new faces and current families. It was a lovely opportunity to learn together outdoors and strengthen our school community. We can't wait to see our new starters over the next two sessions and then joining us at school in September.

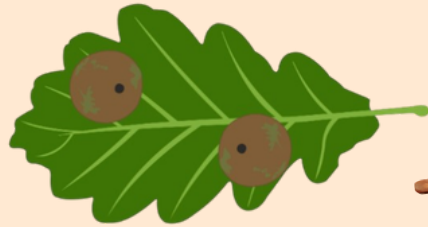

Night Owls had a brilliant time celebrating St George's Day by getting crafty with their very own shields and flags! The children loved designing bold St George's crosses, adding their own creative twists, patterns and colours to make each one unique. There was lots of excitement, laughter, and pride as they created their designs and talked about what St George's Day means. A fantastic, fun-filled session all round!

This week at...

Oak Apples Forest School

We enjoyed a fantastic all-day Forest School session in dry weather with Beech, Elm, Cedar and Oak classes

Beech and Cedar classes welcomed parents into Forest School, beginning with a fire circle before exploring a range of activities including mini beast hunts, clay modelling, stick insect making, butterfly crafting using natural materials, and imaginative outdoor play.

Cedar class also extended their learning through dandelion investigations and butterfly movement experiments. The session ended with a shared snack and mini beast songs around the fire circle.

Elm class worked collaboratively to build a bug hotel, using natural materials and tools safely to create a detailed habitat for insects. The children showed excellent teamwork and pride in their finished structure.

Oak class focused on completing their outdoor classroom space, working together to level ground, build seating, and add creative finishing touches. They reflected proudly on their teamwork and achievements. A brilliant day of outdoor learning, creativity and teamwork across all classes.

**SCHOOL NURSE, OPEN MINDS AND FAMILY SUPPORT
COFFEE MORNING DROP-IN**

21st APRIL 2026

9AM-12PM

TODMORDEN HEALTH CENTRE, SECOND FLOOR

This is a drop-in session for parents from local primary schools to chat with our school nursing team about your child's physical needs.

Open Minds will also be there to deliver information how to 'Manage Emotions' and also support you on how to support your child's mental health.

Family Hub staff will also be present to answer any questions about the support they provide, such as, practical parenting advice and support through confidential one to one support for parents/carers.

No need to book, just come along for a brew!
