

St Joseph's Journal

1ST APRIL 2021

This is the most important weeks in the Church's Calendar as we prepare for the Passion of Christ, who died on Good Friday and rose on Easter Sunday to give new life to all who believe. Whilst the week is solemn and sorrowful, it also anticipates the joy of Easter through the reflection of God's goodness in sending his son to earth to die for our salvation. Whilst we continue to have to do things differently, we have been able to share a short liturgy each day prepared and recorded by our pupil chaplains.

We hope that these links can help your family come together in prayer. (They can also be found on our Faith Tab on the school website).

I'M WALKING FOR WATER

WITH CAFOD

Thank you to all who have contributed to our Lenten Charities with CAFOD this year. Whether you donated to our non uniform day or purchased raffle tickets, together you have helped to raise £221.43. Let's remind ourselves what this money will now provide...

1 in every 3 people in the world do not have access to safe drinking water. CAFOD shared the story of Abdella, who has to walk ten hours every day for water. The money we have raised will provide safe accessible drinking water for a school.

You have provided chickens, along with the training to help look after them, to vulnerable families, so they can produce eggs to eat or sell.

A special thank you to all our Mini Vinnies who have also been carrying out extra jobs around school to top up the funds!

As we break up this week we would like to congratulate Miss Carsmith who is finally able to get married!

She has had to wait a long time for this day due to all the restrictions and we hope she has a wonderful celebration.

May God Bless both families on this special day.

We will be welcoming back Mrs Hinterland after the Easter break! I'm sure you will join us in wishing her well on her big day.
